Need Health Insurance?

This program is presented by the Centers for Disease Control and Prevention.

Need health insurance? Find your options on the Health Insurance Marketplace. You can get free screening, vaccines, and counseling, even with a preexisting condition. Enrollment is open through March 31st. Many will qualify for tax credits to reduce the cost.

To apply, visit healthcare.gov for online and paper applications. For questions, call 1-800-318-2596 or visit localhelp.healthcare.gov.

Get Covered, Stay Healthy.
